Part A: PE and Sports Premium strategy plan

Statement of intent

Our aim is to ensure that all of our students have a positive experience of sport and physical activity at a young age, encouraging them to build a life-time habit. All of our young people should have the opportunity to live healthy and active lives.

Increasing staffs confidence, knowledge and skills in teaching PE and Sport

Increasing engagement of all pupils in regular physical activity and sport.

Offer a broader and more equal experience of a range of sports and physical activities to all pupils.

Increase participation in competitive sport

Challenges

This details the key challenges to achievement that we have identified among our pupils.

Challenge number	Detail of challenge
1	Complex profiles and learning needs: Due to their complex learning needs our young people face challenges accessing sporting and leisure activities that are inclusive and enable them to participate.
2	Students often have limited out of school opportunities due to financial challenges but also families challenge to get their child accessing appropriate provisions.

Intended Outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.
